

December 2025

EDITOR'S COLUMN - DECEMBER EDITION

AARAMBH SCHOOL NEWSLETTER

"Success isn't just about reaching the stars—it's about igniting them for others to follow."

December unfolded as a month of focus and reflection as we moved towards the end of the academic session, with pre-board examinations guiding students toward purposeful preparation and perseverance.

Adding a vibrant contrast to this academic intensity was SKPS Talks 2.0, where students confidently showcased their ideas and talents. Their voices, expressions, and confidence reminded us that learning is as much about thinking deeply as it is about speaking boldly.

Thus, December beautifully blended discipline with expression, closing the year on a thoughtful and inspiring note.

NATIONAL MATHEMATICS DAY CELEBRATION

"TELL ME AND I FORGET, TEACH ME AND I REMEMBER, INVOLVE ME AND I LEARN." – BENJAMIN FRANKLIN

National Mathematics Day was celebrated with great enthusiasm at our school, making mathematics an enjoyable and meaningful subject for students. The celebration aimed to introduce mathematical concepts in a creative and practical manner.

Students were introduced to various shapes and models, helping them understand mathematics beyond numbers and formulas. They enthusiastically prepared colourful 3D shapes and simple projects, showcasing their creativity and understanding of basic concepts. The vibrant displays reflected the students' effort and imagination, turning learning into a joyful experience.

The celebration helped students appreciate mathematics as a subject that is fun, visual, and connected to real life. National Mathematics Day thus encouraged curiosity, creativity, and a positive attitude towards learning mathematics.

WHEN IDEAS TOOK THE STAGE—AGAIN: SKPS TALKS 2.0

SKPS Talks 2.0 returned as a unique platform where students confidently expressed their thoughts, creativity, and perspectives. Designed in the spirit of a TED-style talk show, the event filled the school with energy, colour, and vibrancy, making it a truly memorable experience.

Alongside the talk show, the annual prize distribution ceremony celebrated the achievements of students across academics, sports, and co-curricular activities. To honour their efforts and dedication, tokens of appreciation were presented to both participants and teachers, recognising the guidance, support, and enthusiasm that made the event a success.

SKPS Talks 2.0, combined with the prize distribution, beautifully highlighted the school's belief in empowering students, celebrating achievements, and fostering creativity, turning the stage into a space where young voices and bright ideas could shine.

”
**Every idea seeks
a voice, and
every voice
needs a stage.**
“

GLIMPSES OF SKPS TALKS 2.0

Yukti | It's Okay Not to Be Okay

A gentle reminder that courage begins with acceptance.

Himanshu | Why Gen Z Is a Misunderstood Generation

A young voice questioning labels and redefining identity.

Deepika | The Power of Thoughts

Where thoughts begin, transformation follows.

Oshima | Collect Scars, Not Excuses

Strength blooms where resilience lives.

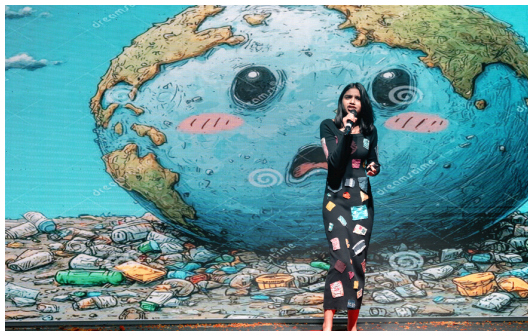

GLIMPSES OF SKPS TALKS 2.0

Divya | Failures Are the Stepping Stones to Success
Every fall carries the promise of rise.

Pari | Embracing Life – Say No to Plastic
Choosing life, responsibility, and a greener tomorrow.

Madhuri | The Dirty Side of Fashion
A bold look beyond glamour.

Anshika | Gratitude
Small words, deep wisdom.

GLIMPSES OF THE PROGRAMME

Chhavi | The Alchemy of Discipline
Consistency turning dreams into reality.

Musical Highlight

Lakshanya added a special vibrance to SKPS Talks 2.0 with her melodious voice, filling the hall with rhythm, emotion, and energy.
