

सर्वे भवन्तु सुखिनः, सर्वे सन्तु निरामयाः।
सर्वे भद्राणि पश्यन्तु, मा कश्चिद् दुःखभाववेत्॥

May all be happy, healthy,
and see only goodness around them

SKPS AARAMBH

OCTOBER 2025

October filled Sri Krishna Public School with the warmth of festivity and joy as we celebrated Dussehra and Diwali with great enthusiasm. The month reminded us that light always triumphs over darkness and that kindness, like a glowing diya, can brighten countless hearts.

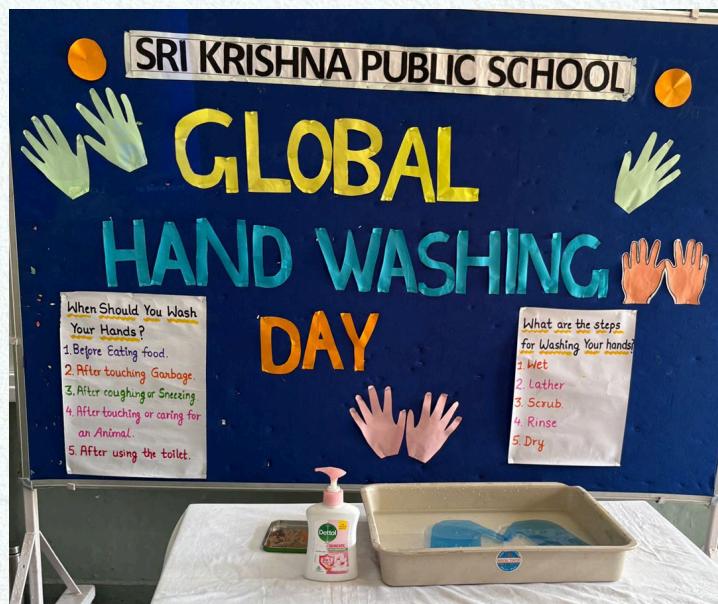

Through various cultural events and creative expressions, our students beautifully captured the spirit of the season — one of hope, harmony, and renewal. As we step into November, let us carry forward this same light within us, spreading positivity, gratitude, and goodness in all we do.

Wishing everyone continued joy and inspiration in the months ahead

Global Handwashing Day: Little Hands, Big Lessons!

To celebrate Global Handwashing Day, our tiny tots from Nursery and KG took part in an engaging activity using black pepper to understand the importance of clean hands. With eyes full of curiosity, they watched how the "germs" (black pepper) moved away when soap was added – learning in the most fun and visual way that soap keeps germs away! The activity filled the classrooms with excitement and laughter while instilling a valuable hygiene habit early in life.

Exploring Words with Joy!

Students of Class III engaged in an interactive language activity that encouraged quick thinking and vocabulary building. They enjoyed connecting words creatively, strengthening their spelling skills while having fun with their classmates. The session fostered teamwork, attentiveness, and a love for learning new words.

Maths in Action!

Students of Class I participated in a Speedy Maths Activity, showcasing their quick calculation skills with great enthusiasm. Meanwhile, Class IV students explored Fractions through creative placards, clearly understanding how parts make a whole and sharing their learning with peers. Adding to the excitement, Class V engaged in a Lines and Angles Activity, identifying different types of angles and lines through fun, hands-on tasks that strengthened their geometric concepts.

Diwali Celebrations at SKPS

The spirit of Diwali filled the campus with joy and devotion as the Junior Wing and Class 8 students presented a Special Assembly, showcasing the festival's message of light triumphing over darkness through vibrant performances, songs, and dances. Adding to the festive charm, an Inter-House Rangoli Making Competition was also organized, where creativity bloomed in colorful patterns across the school courtyard. Tagore House secured the first position, followed by Vivekananda House in second, Naidu House in third, and Tilak House in fourth place. The celebration truly reflected the joy, unity, and artistic spirit of Diwali.

Radiance of Creativity: Diya Decoration Competition

As part of the vibrant Diwali celebrations at SKPS, a Diya Decoration Competition was organized for students of Classes 6 to 8, illuminating the spirit of the festival with artistry and devotion. Each diya reflected the students' creativity, patience, and festive enthusiasm. From Class 6, Trisha Dagar, and Vamika shared the first position, while Chhavi and Ankita (6B) secured the second, and Diya (6A) earned the third position. In Class 7, Vandana bagged the first position, Tanish Dagar (7A) stood second, and Ankita (7A) took the third position. From Class 8, Sneha won the first position, Ananda (8A) and Megha got the second position and Nancy stood at the third position.
